### 75th Annual International Lily Show & Symposium Registration Policies

**Communicable Disease policy for the 75<sup>th</sup> Annual International Lily Show & Symposium:** It is the responsibility of the person attending this conference to protect themselves and others from the spread of communicable disease. While masks are not required, we will have them available for use at the Mary Winspear Centre. Hand-sanitation products will also be available.

**Registration cancellation policy:** If an emergency occurs which causes a person who has registered for the Convention to cancel her/his attendance, a full refund of Registration Fee and Meals will be made if notification is received by the Convention Chairman or Registrar at least two weeks before the Convention begins, otherwise, the cost of meals selected on the person's Registration Form may be subtracted and the remaining Registration Fee refunded.

Late arrival at the 75<sup>th</sup> Annual International Lily Show & Symposium: If notification is received at least two weeks in advance of the Convention, then the cost of meals missed may be refunded. Similarly, if when registering (at least two weeks ahead of the Convention) the attendee informs the Registrar that his/her arrival will be late, then the cost of meals missed will be subtracted from the total balance due for the convention.

**Early departure from the 75<sup>th</sup> Annual International Lily Show & Symposium:** Requests for partial refund of registration fees due to early departure will be considered on a case-by-case basis. A refund for meals not taken because of an emergency early departure will only be granted when there is a Convention surplus, since the Convention is obligated to pay the cost of these meals to the hotel. The cost of meals missed may also be subtracted from the total balance due for the convention, if a guest notifies us that he/she will need to leave early, and that notification is given seven or more days before the start of the Convention.

**Supplementary Meals for spouses, children, or friends not registered for the convention:** We welcome the spouse, friends, and/or children of our registered guests. Often these family members will not register and will not attend program activities. You can purchase meals for your family members or friends, even though they are not registered for the Convention. Please refer to the Meals sections of the registration form for costs of supplemental meals.
